# Salman Al Husseini

**Voice Actor · Fantasy & Arabic Content Writer · AI Creative Director**

## Turning ideas into words, voices and worlds

I lead the Scarlet Arrow dubbing team, write fantasy stories for ORAKTION and explore Attack on Titan theories on Senpai. My work brings together voice performance, Arabic writing and AI creative direction, backed by experience in marketing and campaign leadership.

### Creative Practice

**01** **A voice that builds character**

Voice actor, dubbing and voice-over performer, and leader of the Scarlet Arrow dubbing team, SAROVOX. Performed the Joker alongside Fouad Shamas in Modern Standard Arabic dubbing.

**02** **Arabic that carries a story**

Fantasy and Modern Standard Arabic content writer, with fluent delivery. I publish my stories on ORAKTION | Fantasy Stories and explore Attack on Titan theories on my Senpai YouTube channel.

**03** **Imagination made visible**

AI creator and creative director producing work for companies and organizations. My practice includes visual content, design and video editing. ORAKTION is among my creative accounts.
